Association of Public
Historians of
New York State
Region 12*

DIRECTORY

1998

*Beginning January 1, 1999, the Association of Public Historians of New York State will combine and replace the two previous organizations--the Association of Municipal Historians of New York State and the County Historians' Association of New York State.

At the Fall Conference in Batavia, September 24-26, 1998, the decision was made to retain all nine counties of Region 8 in the new organization as Region 12.

All telephone numbers in this Directory are in area code 716.

A sincere attempt has been made to present accurate information. If you find your entry missing or inaccurate, contact your county's directory contact person.
